

Accepted entries- ArtWalk 2010

Juror: Cat Balco, Assistant Professor, Hartford Art School

Please note - work is listed in order it was received and not in alphabetical order.

Accepted digital entries are listed separately at the very end.

Work is chosen by participating merchants for display in their storefront windows next week. As stated in the prospectus, we do **our very best** to make sure all work is chosen, however, we **cannot guarantee** placement. In the case of your work not being placed, we will call you to pick up your work.

Artists work will be listed with the participating merchant(s) on our ArtWalk map which will be available on our website at www.westhartfordart.org Thursday morning, September 9th. Please do not call the office to determine placement before that.

If your name or title of your work is misspelled, please send an e-mail to info@whal.org with your corrected name, title of work, medium and price asap. We cannot make changes after the morning of Tuesday September 7th.

It is your responsibility to pick-up your work at the end of the exhibit on October 9th from the merchant displaying your work, on time. **Please respect our time frame and the merchants generosity by removing your work promptly at the end of the exhibit.**

Your cooperation is greatly appreciated. Thank-you.
